

	STATEMENT	página: 1 / 1 16/03/2026
	Compliance with Regulation (EC) 1907/2006 (REACH)	

Subject: Declaration of Compliance with REACH Regulation (EC) No. 1907/2006

To whom it may concern,

Hebron S.A., as a manufacturer and/or importer of chemical substances based in the European Union, hereby declares its commitment to and strict compliance with Regulation (EC) No. 1907/2006 (REACH).

Within the framework of our regulatory compliance and responsible product management, we certify that:

Within the framework of our regulatory compliance and responsible product management, we certify that:

1. Substance Registration:

All substances contained in our products that require registration have been properly registered by HB S.A., our suppliers, or are exempt from registration according to the Regulation.

2. Substances of Very High Concern (SVHC):

We continuously monitor the ECHA Candidate List of SVHCs. If any of our products contain a substance from this list at a concentration above 0.1% (w/w), HB S.A. will fulfill the information requirements established in Article 33 of the Regulation.

3. Safety Data Sheets (SDS):

We provide up-to-date safety information for our products through Safety Data Sheets compliant with Regulation (EU) 2020/878, ensuring transparent communication along the supply chain.

4. Commitment to Improvement:

We operate under a certified Quality and Environmental Management System (ISO 9001 and ISO 14001) to ensure that our processes meet the highest regulatory standards.

HB S.A. maintains active communication with suppliers and authorities to guarantee the continuity of supply and the safety of its chemical applications.

Sincerely,

Product Safety & Quality Assurance Department
Hebron SA
